

## COMMERCE BANK

Stunning yet functional, the new Commerce Bank office is a fusion of artistry and practicality, tied together with high-quality finishes. The dynamic space is home to both Commerce Bank and Commerce Trust, where the two entities operate side by side.

Designed to reflect the bank's commitment to professionalism, the space emphasizes transparency, versatility, and a modern client experience. This world-class business center offers nearly 11,000 square feet of flexible office space, collaboration areas, and conference rooms overlooking Tulsa's scenic views. Employees and clients alike benefit from thoughtful design details that promote comfort, efficiency, and connection.
