Diane Hensley Memorial Scholarship AT OKLAHOMA STATE UNIVERSITY

KKT Architects is raising money to establish the Diane Hensley Memorial Scholarship for Interior Design students at Oklahoma State University.

As a graduate of Oklahoma State University, Diane dedicated her career to improving Tulsa through interior design for over 30 years. She approached life and work with kindness and sincerity that was beyond comparison. As a Principal at KKT, Diane mentored and encouraged many young designers through the years. She played a lead design role in completing many notable projects, and her contributions have left a lasting mark on KKT Architects and the Tulsa Community. We will forever be grateful to her for it.

We are initiating a fund in Diane's name (which equates to an annual \$1,000 scholarship), and we welcome any donations from \$100 to \$1,000+ to support establishing this scholarship permanently. If we reach the goal of \$25,000 we will establish a fully endowed scholarship.

If you would like to contribute, don't hesitate to contact Josh.Jones@designethos.com for specifics on donating.

Thank you for helping us carry on Diane's legacy by supporting her alma mater and the interior design professionals of the future.
