

OREN RESTAURANT

For this progressive American restaurant, Ethos collaborated with the owners to transform the former Asian-themed, dark décor into an open, sleek, modern space. Ethos's space plan reconfigured the bar and ensured light-filled spaces. The resulting space is clean and bright, including finished concrete floors, a white palette, and a minimalistic aesthetic. The cozy white-painted patio dining area invites diners outdoors, and new furniture throughout support the sophisticated dining experience while ensuring diners' comfort.
