

HERONCREST EVENT CENTER

Ethos designed this timeless venue located on Lake Elmdale in Elm Springs, Arkansas. The 11,178 SF facility contains a 7,300 SF event space, a catering kitchen, prep areas, bride and groom dressing rooms, public facilities, and service spaces. The design focused on creating a light, airy and transformative space that is easily adaptable to different events and aesthetics. The event space has a vaulted ceiling with specialty mounting system, providing flexibility in decorating and venue set up. Beautiful large windows along each side of the building and a glass end-wall façade provide panoramic views of the lake and outdoor terrace. The venue easily seats over 500 for a wedding, 350 for a banquet or 240 for a seminar setting.
